He shall Reign a Thousand Years

Seventy (70) Years desolation, one for each Jubilee year that they were to keep.

Dan 9:24 Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.

Dan 9:25 Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times.

Dan 8:13 Then I heard one saint speaking, and another saint said unto that certain saint which spoke, How long shall be the vision concerning the daily sacrifice, and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot?

Dan 8:14 And he said unto me, Unto two thousand and three hundred days; then shall the sanctuary be cleansed.

This entire period of time, from the taking off of the crown of the last king of Israel until the presence, of him who right it is, and the giving him the crown, is what Daniel's prophecies is all about. With in th is period of time you have detailed God care over Daniel's people and the holy city, their deliverance from under Gentile dominion, the finishing of the transgression, the making an end of sins, the making of reconciliation for iniquity, and the bring in everlasting righteousness, as well as seal up the vision and prophecy, and to anoint the most Holy. The rise and fall of the four universal empires and their beastly counter parts, and the rise and fall of a false kingdom of God is also pictured. The end of this prophecy is the establishing of God's Kingdom, that will last for ever and ever, a earthly kingdom of righteousness.

The Jubilees Great Grand Cycle 70 x 50 Years = 3500 Years

50th - Grand Cycle

BC - AD

The Jubilee cycles are not directly refered to in the prophecies of Daniel, but are included on this chart because Israel failure to keep the Jubilees brought about the 70 years of desolation, thereby breaking the seventy Jubilee cycles that pointed to the establishing of God's everlasting Kingdom. Where the one cycle ends, a grander cycle begins.
